IN-PERSON + VIRTUAL

# P R O S P E C T U S

Dear Valued NAMPI Sponsors & Exhibitors,

After two years of virtual conferences, we're excited to announce that the NAMPI 2022 Annual Conference will be held in-person August 7-10 in historic downtown Baltimore, as well as through our virtual platform! We are looking forward to bringing together the NAMPI community to learn from the top leaders and innovators in Medicaid Program Integrity.

Our attendees, dedicated to protecting the integrity of the Medicaid program, will be seeking new tools and resources to bring back to their respective states and help further their work. Participation as a sponsor or exhibitor gives you direct access to this large networking and marketing opportunity. Your presence is welcomed and encouraged, and I hope to see you this August.

*Sincerely,*

**Kelly Bennett**

NAMPI Board Vice President

## ABOUT NAMPI

NAMPI is all about uniting our nation's Medicaid Program Integrity efforts through the sharing of insights, resources, and technologies. Our yearly conference combines these efforts and hosts leaders from all aspects of the program integrity field.

Originally founded as The National Association of Surveillance and Utilization Review Officials (NASO), the organization began in 1985 when a group of Medicaid program integrity officials met to discuss how they could improve communication and information sharing among the states. These officials determined a method of connecting professionals responsible for Medicaid surveillance and utilization review functions through a single organization. Since its inception, NAMPI membership has grown to nearly 1,000 members.

## EXHIBITOR & SPONSOR EVENTS

The National Association for Medicaid Program Integrity (NAMPI) is committed to producing an annual conference each year that is reflective of the ever-evolving landscape of interests and information for attendees, exhibitors, and sponsors. An added benefit of sponsoring the annual NAMPI Conference is the opportunity to host an Ancillary Event.

Our commitment is to make each and every opportunity available for the broadest group to participate. In the spirit of inclusion, we require preapproval for any ancillary gathering and function. Please read the information below and, if your organization would like to host an event, please complete the online form [HERE](#).

### ANCILLARY EVENT DEFINITION

*An ancillary event is defined as any meal, meeting, gathering, or function hosted by a sponsoring organization off-site or at the designated conference venue, which is outside the parameters of the NAMPI Conference, but concurrent with the dates of the NAMPI Conference, where a sub-group of NAMPI Conference attendees are invited to participate.*

The event must comply with the below referenced approved time frames and be scheduled to permit attendees sufficient time to participate in official conference activities and sessions.

The event must receive written approval by the NAMPI Board prior to available ancillary event space being assigned.

Complimentary on-site ancillary event space is limited and is not guaranteed. If required, all fees associated with the procurement of on-site event space will be billed directly to the sponsoring company by the venue.

If a sponsoring company is interested in securing space for an ancillary event at an off-site venue in the host city, they must first receive written approval from the NAMPI Board prior to making arrangements.
